Are you able to host a Ukrainian family?

When hearing reports of the war in Ukraine, and the millions of Ukrainians that have been forced to flee their homeland, many have asked what they can do to help. Over 200,000 Ukrainians have already arrived in Canada through a special visa program created by Immigration Canada. An additional 800,000 are expected to arrive in the coming months. If you like to learn more about hosting a Ukrainian family, please go to Archdiocese of Toronto-Ukrainian Crisis (archtoronto.org) and register for a virtual information session.
